Now more than ever, it is important that we elect individuals who will protect the economy and growth of New York as well as remember the hard working people who live here.

They say that all politics are local. Many politicians lose sight of that fact after being elected. We are confident that you will never forget the people that elected you and will always fight to protect and enhance the interests of the people of New York State.

For all of these reasons, they are proud to endorse you in your re-election for New York State Senate. We wish you continued success and look forward to working with you for many years to come.

Very truly yours,
